September-October Activities

Despite holding a virtual 2020 Reunion for alumnae, the decision was made in mid-September to delay the official celebration of our 2020 Alumnae Awards recipients until Reunion 2021.

On October 1st, the Committee arranged a zoom group interview with the three Alumnae Awards recipients led by Kate Beckwith and attended by Kristen Oliver for Kate's extended article in the winter edition of the Mills Quarterly. Photos of the winners were also forwarded to Kate to include in the two-page spread. The article has been completed, edited and is ready for publication.

Yours faithfully,

Courtney Long
