Upcoming event:

Alumnae Winter Celebration December 15 , 5:30-6:30pm.

Every year we host a ceremony for the mid- year graduates. We partner with Alumnae Relations to host this event . The President and members of her cabinet are in attendance and it is a festive event which includes the Governors and Committee members gifting the students with the AAMC ornaments and sharing wishes and giving them each one a rose. This year it will be virtual with some of the common elements as part of the event.
