To the Board of Governors
May 13, 2020

The Alumnae Awards is receiving and vetting candidates in all categories for this year.

The article that was in this month's Quarterly was excellent, and we look forward to receiving more potential candidates as a result of this mention.

If any governor has suggestions and/nominations, please reach out to us. The applications are available on-line on the website and we will forward.

Our categories are:

Distinguished Alumna Award

Outstanding Alumna Award

Recent Graduate Award (past 15 years)

The deadline for all applications is July 15th.

Respectfully submitted,
